Overview

Reef Point is a beachfront property at Chinaman Wells, and is suitable for couples and families.

With 2 bedrooms Reef Point sleeps a maximum of 7 guests. Cotton blankets and pillows are supplied; you just need to bring sheets, towels and tea-towels. Or hire linen for your stay through the Country Getaways office. Reef Point has two bathrooms (shower only, no bath).

Reef Point is equipped with a microwave, filtered rain water, and 2 refrigerators, television in lounge, radio/cassette player, reverse cycle air conditioning and washing machine. There are televisions in both bedrooms.

Outdoor seating and a barbecue is supplied, and a fish cleaning area and table is provided for fishers, but there are no boat washing facilities. Reef Point has off street parking, and direct access to the beach.

With its secluded location, Chinaman Wells is a place to make your own. From the very early morning you can look at the fish as they swim along the waters' edge. Watch the birdlife including pelicans, swans, cranes, and more; or just walk the long secluded beach with your pets. Pets are permitted at Reef Point by arrangement
