Overview

Just a short walk to one of Yorke Peninsula most popular crabbing spots, Crabber's Cove is a single-level holiday house only 5 minutes away from the Port Clinton beach.

Crabber's Cove has 3 bedrooms – queen, 2 singles, queen; sleeping up to 6 people. Quilts and pillows are provided, but guests will need to bring their linen (sheets, pillowcases, towels, bathmats & tea-towels) with them for their stay.

There is one bathroom in the holiday house, with a walk-in shower, vanity & toilet.

The lounge room and all bedrooms have ceiling fans, and there is air-conditioning in the lounge room.

The living area is open plan, comprising the lounge room, dining & kitchen, with direct access to the undercover entertaining area and backyard.

There is sofa seating in the lounge room, with a large wall-mounted television (with USB & HDMI ports).

Crabber's Cove has a well-equipped spacious kitchen with an electric stove, microwave, filtered water, medium-sized fridge with freezer on top, and large pantry for storage.

The European style laundry is located in the kitchen with a front load washing machine and large laundry sink, with an undercover pull-up clothesline outside.

At the rear of the holiday house,

the large undercover entertaining area has dining facilities and seating, with a hooded gas barbecue and Weber kettle.

Guests staying at Crabber's Cove have access to the spacious fenced rear yard, but please note that the private rumpus room at the front is not available for guests during their stay.

For those coming to fish, Port Clinton has a small beach ramp (best for high tide launching) and there is room for a boat to be parked securely behind the fence at the accommodation.

There is parking for up to 2 cars in the driveway behind the fence, but guests do not have access to the garage.

The Port Clinton General Store is around a 10-minute walk away or a short drive, with a range of groceries, takeaway and fuel; and for meals the Port Clinton Community Club is a short drive away from Crabber's Cove.
