Located in a beachfront position on Marine Parade at Port Vincent, the Port Vincent Seaside Apartments complex is comprised of 4 luxury apartments.

On the ground level, Apartment 2 has 3 bedrooms – king, queen, 2 singles & 2 trundles – and can sleep up to 8 guests with all 3 bedrooms having a wall-mounted television.

Quilts and pillows are provided, but guests will need to bring their linen (sheets, pillowcases, towels & tea-towels) with them for their stay, or linen can be hired through the Country Getaways office.

The holiday accommodation has an ensuite bathroom with a walk-in shower & toilet; and a main bathroom with a bath, shower & toilet.

There is ducted air-conditioning throughout the apartments, providing guests with year-round comfort in all seasons.

The lounge room is spacious with plenty of seating along with a large smart television, and guests have access to complimentary WiFi during their stay.

The kitchen is well-equipped for any length of stay with a gas stove, fridge/freezer, microwave, sandwich press, Nespresso coffee machine & dishwasher.

Adjoining the spacious open plan lounge room, dining area & kitchen is the verandah which offers another great entertaining space with seaviews

across the bay from the private garden. This outdoor area has seating and a dining table, with a hooded gas barbecue.

Guests have a complete laundry within the holiday apartment, with a front load washing machine, clothes dryer, sink, iron & ironing board.

Outside, guests have access to the undercover fish cleaning area and the Port Vincent boat ramp is just a short drive away.

For those enjoying the beach just across the road, there's also an outdoor shower to wash the sand off before heading indoors.

The apartment has an allocated undercover carport space in the off-street parking area at the rear of the accommodation, with room for another vehicle to be parked off-street.

The ground floor apartments have exclusive use of the gardens surrounding the apartments and the front yard; with the car park & fish cleaning area a shared space between all 4 apartments.

The Port Vincent Seaside Apartments are located on the beachfront at Port Vincent, with Apartment 2 located on the ground level on the northern side of the apartment complex. The lower level has no steps and wide hallways, and the ensuite bathroom has a walk-in shower.

The apartments are directly across the road from the Port Vincent playground & kiosk, and just a short walk to the main street, hotel & cafes.
